Goods		
♦ Power Transformers	♦ Electrical & Instrument Cables	♦ UPS
♦ MV Switchgears	♦ Standby Generators	♦ RMU's and feeder pillars
♦ VFD's	♦ Capacitor Banks	
♦ Distribution Transformers	♦ Electrical battery and battery charger	
♦ LV Switchgears and MCCs		
♦ Earthing & Lightning system		
Services		
► <u>Battery</u>		
♦ Battery jobs-testing, repair, installation, disposal, PM,CM, Commissioning of UPS & Its repair Services		
► <u>Cabling</u>	► <u>Generator</u>	► <u>Switchgear & switchyard/substation</u>
♦ HT cable laying & termination jobs including excavation	♦ DG - PM,O/H, testing, repairs of generators, its control systems	♦ HT switchgear PM,O/H, Repair ,testing jobs
♦ HT cable testing, fault finding, jointing	► <u>Lifts/elevator</u>	♦ LT switchgear PM,O/H, Repair, testing jobs
♦ LT cable laying & termination jobs	♦ Lift/elevator jobs--Installation, testing/certification, repairs, PM,CM etc.	► <u>Transmission & distribution system</u>
♦ LT cable testing, fault finding, jointing	► <u>Lighting</u>	♦ HT/EHV transmission & distribution system-Modification, PM,O/H, repair, testing
► <u>Calibration & testing-electrical equipment's</u>	♦ Plant lighting-installation/removal, rectification/maintenance	♦ LT transmission & distribution system- Modification, PM,O/H, repair, testing
♦ Electrical measuring/display meters	♦ Building lighting-installation/removal, rectification/maintenance	♦ Transformer oil jobs
♦ Relays	► <u>Motor</u>	♦ Transformer testing, PM,O/H, repairs
► <u>Battery</u>	♦ HT motor PM,O/H, Repair jobs	♦ Protection Relay testing, installation jobs(preferably OEM)
♦ Battery jobs-testing, repair, installation, disposal, PM,CM, Commissioning of UPS & Its repair Services	♦ HT motor rewinding jobs	► <u>HVAC / AHU Maintenance</u>
► <u>Cabling</u>	♦ LT motor PM,O/H, Repair jobs	♦ AHU Maintenance (Some area covered under Facility, Building Mace Contract(BEC))
♦ HT cable laying & termination jobs including excavation	♦ Motor Installation jobs	♦ HVAC (Some area covered under Facility, Building Mace Contract(BEC))
♦ HT cable testing, fault finding, jointing	♦ LT motor rewinding jobs	♦ Small AC units installation commissioning at areas which are not covered under BEC Contract
♦ LT cable laying & termination jobs	► <u>Plant Communication System</u>	♦ Duct cleaning
♦ LT cable testing, fault finding, jointing	♦ Plant Communication System	♦ Installation of new units
► <u>Calibration & testing-electrical equipment's</u>	♦ Electrical Monitoring and Control Systems	► <u>Insulation</u>
♦ Electrical measuring/display meters	► <u>SCADA</u>	♦ Insulation Jobs (Air Conditioning)
♦ Relays	♦ Electrical SCADA	
► <u>Cathodic protection</u>	► <u>Power Electronics</u>	
♦ Cathodic Protection jobs-Installation, testing, repairs, PM,CM etc.	♦ UPS-Testing, PM,O/H, repairs	
► <u>Earthing works</u>	♦ VSD/VFD-Testing, PM,O/H, repairs	
♦ Earthing values measurement, restoration/rectification
